

COMPARE 2 CITIES

Problem Statement

- * Compare cities Chicago and New York
- * Compare and provide a suggestion which city is best
- * Comparing factors should be as follows
 - * Wages
 - * Safety
 - * Cost of living

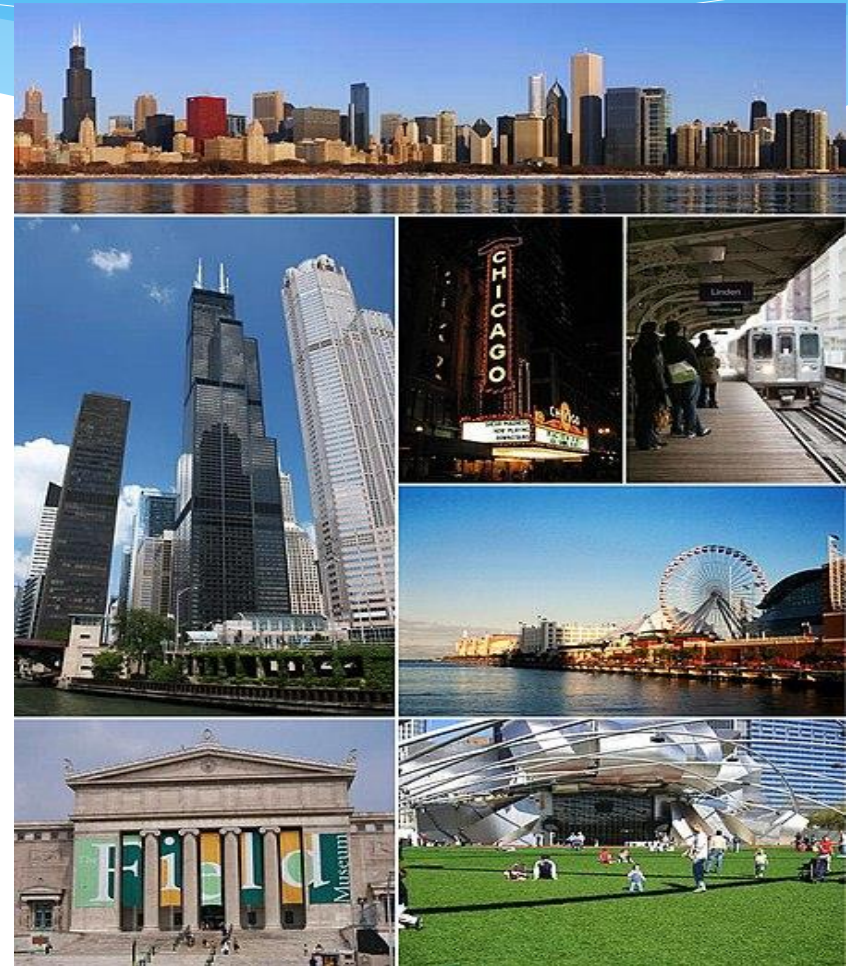

Data Prep

- * Collect the data for both the cities on the following
 - * Crime Rate
 - * Wages
 - * Cost of Living

NEW YORK

CHICAGO

Conclusion

- * Based on the Results if someone wants to choose between NYC and Chicago I would prefer Chicago as the Crimes are Less and cost of living is very less when compared to NYC which has high crime rate and High cost of living. In fact NYC is the highest ranked city for cost of living.
